ORGANISATION PROFILE

PARTICULARS	DESCRIPTION
Executive Summary	COMMUNITY DEVELOPMENT SOCIETY is an organization dedicated towards the upliftment and empowerment of the economically weaker sections of the society. Highly concerned about the poor economic situations of Manipur, a group of five member youths took the initiative to address the age-old economic challenges facing the rural community of Manipur in the 21st Century. Registered on 31st January 2013 under the Manipur Societies Registration Act, 1989, COMMUNITY DEVELOPMENT SOCIETY aims to address the issues of low farmer incomes, inadequate social infrastructure development, women empowerment, unemployment, unsustainable economic & livelihood conditions, health & education as well as ecological sustainability. COMMUNITY DEVELOPMENT SOCIETY is highly concerned about the deprivation of rural community from their potential aspirations due to economic and political setbacks. Till late, it has been observed that the issues of subsistence farming vis-à-vis the impact of climate change, unprotected environment, poorly-developed health infrastructure and rampant unemployment has resulted in widespread social catastrophe among the rural communities in Manipur, which has led to the necessity of handholding, capacity building, awareness and sensitization. COMMUNITY DEVELOPMENT SOCIETY is passionate and committed towards creating sustainable development among the rural communities through: • promotion of entrepreneurs; • promotion of farm and non-farm sector; • the effective participation of women in the overall social development processes; • promotion of IT and ensuring digital and financial literacy in rural areas; ensure better health centre facilities with protected environment in rural areas.
Vision	COMMUNITY DEVELOPMENT SOCIETY envisions “the creation of a healthy, hard-working society characterized by economic growth which is in harmony with sustainable environment development”.
Mission	THE ORGANISATION MISSION is “to encourage and promote entrepreneurship and self-reliance in the society so as to wean away people from dependency syndrome by creating opportunities for rural areas and often weaker sections of the society in their respective lines of interests and capacitate them to build themselves up; create sensitivity towards the preservation and protection of the ecological, social and economic environment”

Objectives

- To uplift the socio-economic condition of the society through farm, non-farm, agriculture and its allied sectors.
- To encourage and promote entrepreneurship in the society especially among the educated unemployed youths so as to wean away them from dependency syndrome and ensure that they stand on their own feet.
- To sensitize and promote regeneration of natural resources and to promote biodiversity preservation and conservation.
- To increase effective participation of Women in Community's decision making processes and women empowerment.
- To promote and establish community information centre and knowledge centre. Also, act as a data bank on environment, education, health & Sanitation, farm sectors, entrepreneurship and various government initiative (plan, programme and policy).
- To improve education system, encourage, facilitate & engage in research projects/activities. And promote information technology and digital literacy.
